

Bistro 217

Experience upscale dining in downtown Pawleys Island

The Bistro's intimate indoor dining room glows with an elegant hue of style and sophistication. Our covered heated courtyard invites guests to relax and savor a culinary journey like no other. The newly expanded courtyard bar provides an avenue for locals and visitors alike to enjoy one another's company as they gather to unwind.

Lunch at the Bistro could include a variety of appetizers, soups, salads, specialty sandwiches and Lowcountry specials. The Pan-Sautéed Grouper with fried spinach and lobster sauce is a real favorite. Our Fish Tacos made with cilantro encrusted tilapia in a grilled flour tortilla and served with a rustic avocado salad is a treat to be remembered.

Dinner choices include Oven Roasted Wild Salmon over a spring pea & crab cake, heirloom tomato vinaigrette haricot verts. Or try our 217 Eggplant Treasure Chest with Local Shrimp, Scallops & Grouper in a basil Parmesan Sauce over Fried Eggplant.

Indulge in one of Chef Kirby's creative Nightly Specials. Beautifully prepared Haddock over fingerling potatoes, fresh okra, tri-colored cauliflower, baby zucchini, baby pattypan squash, roasted pearl onions, and Meyer lemon beurre blanc. To finish, try one of our house made desserts like Pear Napoleon with layers of poached pears, mascarpone cream, puff pastry and a vanilla bean sauce.

"Lovers of fine food can't go wrong with anything on the menu!"
