

*AWARD WINNING RESTAURANTS FEATURED IN  
BON APPETIT, GOURMET & SOUTHERN LIVING*

## TWO GREAT RESTAURANTS

Two great award winning restaurants in one location with different menus and atmospheres. Frank's is the more formal restaurant and Frank's Outback is more casual with outdoor covered seating available in a garden setting under a canopy of trees. There's no place quite like Frank's and Frank's Outback. The best recommendation comes firsthand, so ask any local where to eat. Chances are Frank's will be at the top of their list.
