

HABANEROS

Mexican Restaurant

Habaneros is a classic Mexican restaurant located in the heart of Pawleys Island. Our dishes are meticulously prepared with an authentic flavor. Not all Mexican food is hot. For those who like it hot, we put a dish of hot sauce on the table. So let us introduce you to real Mexican food and we hope you enjoy yourself:

Chimichanga - Two flour tortillas deep fried, filled with beef tips or chicken, refried beans, topped with lettuce, tomatoes, sour cream, guacamole and cheese sauce.

Nachos Fajitas - Our traditional nachos with cheese, topped with fajitas, beef, or chicken, lettuce, pico de gallo and guacamole.

Taco Salad Fajitas - Chicken or beef fajitas, served on our original salad shell with beans, topped with lettuce, sour cream, shredded cheese and tomato.

Carritas - Tender pork slowly cooked and served with rice, beans and tortillas.

Habaneros Special (Mexican Surf & Turf) Tender grilled chicken breast, steak and shrimp on a bed of grilled cactus, topped with grilled onions and melted cheese. Served with rice, beans and tortillas.

Alambre - Beef or chicken strips grilled with chopped onions, chopped green peppers & melted cheese. Served with choice of rice or beans, pico de gallo, lettuce, guacamole, shredded cheese, tomato & flour tortillas.

Degollado Special - Beef strips with mushrooms, onions, & touched up with our special tomato salsa. Served with beans, rice, guacamole salad tortillas.
